

District Emergency Operation Center, Chautara Sindhupalchok

Monthly Report, Jestha 2074

#### Introduction

District Emergency Operation Center, Chautara, Sindhupalchok has been functioning as the major information hub for DRR related activities in the district. It is the body of DAO looking after the DRR and other incidents that occur in the district with close coordination with REOC and NEOC. It collects the information from Nepal Police unit and assurance of information is made from the respective police unit which is further informed to CDO. If there is any disaster (natural and man-made) related information, then those incidents are entered in <a href="www.drrportal.gov.np">www.drrportal.gov.np</a> and informed to REOC and NEOC as well. The center has radio room and office room where different disaster related information flex is kept along with the information about LDRMP mapping and MTOT data.

#### **Incidents**
